

Application Form

DemoDAIRY Foundation

School Scholarships and Grants

Before completing this form, please read the DemoDAIRY Foundation (DDF) website sections on Scholarships and Grants.

These school scholarships are for students completing 12 or leaving after Years 11 who plan to proceed with vocational or higher education courses next year which are related to the dairy industry (both farming or in the important supporting service industries) or other livestock industries.

The scholarship can be for up to three years with funds of up to \$3000 per year. Students based in south western Victoria are eligible to apply.

They are similar to the Powell Legacy Fund (PLF) School Scholarships which are open to students who live in Corangamite Shire. The DDF school scholarships are open to students living in and studying at secondary schools in the Shires of Colac Otway, Moyne and Glenelg plus the City of Warrnambool.

Applications close on 30 November in each year. Final approval will be given after confirmation that the applicant has enrolled in their proposed course.

Notes:

Funds can only be used for agreed items and in most cases will be paid directly to the supplier/provider.

The selection committee may choose to interview applicants.

Each successful applicant may be asked to be the subject of a media release or testimonial on the DDF website or to be posted on associated social media and web pages.

1. **Name of Applicant:**

2. **Contact details:** Name.....

Telephone no.: Email address:

(If applying for a **grant** rather than a scholarship or course/training fees, please **skip sections 3 – 9**, go to Section 10.)

3. **Date of Birth**/...../.....
